Update on the Home Show.

Thank you to all the volunteers who helped out at the Home Show on Feb 12-13.

Just before the show ended on Sunday one of the coordinators stopped by the booth to tell us that we were one of the most requested booths (for directions). Hopefully we can continue this service work next year. Again thank you to all involved.

Jerry K.

February 12th and 13th Flagler A. A. performed a community public information service at the Home Show and Service Fair. The A.A. booth was located among other public service, health, and spiritual groups represented at the Service Fair. Many people picked up "Where and Whens" and brochures.

The A.A. booth was next to the Flagler Beach Museum booth. The man in charge was talking to everyone who walked by and asked why we were not doing the same. I explained that we were not promoting A.A. and that we were only giving out pamphlets to those people who stopped by and asked for information.

My thanks go out to Jerry K. for his organization and leadership.

February 2005 Dinner Dance A Success!
Not only did those attending have a wonderful time, Howie B, as treasurer of Flagler Intergroup, tells us that we even made a small profit of \$80!
